

Estimating & Detailed Project Report (DPR)

"Forecasting the future through estimation"

Key Services:

- DPR of Road, Highway & Building
- Structural & Highway Design
- DPR of Railway, Bridge & Water Supply Project
- Building, Bridge & Road Estimate & Design
- Building Estimate for Bank Loan
- Construction Cost Estimate
- Preparation of Bill of Quantity (BOQ)
- Project Management Consultant (PMC)

SERVICES OFFERED BY US

-  Geotechnical Investigation
-  Plate Load & Pile Load Test
-  Topographical & Detailed Survey
-  Material Testing & Quality Monitoring
-  Estimating & Detailed Project Report (DPR)
-  Non Destructive Testing (NDT)
-  Mapping & Digitalization
-  Project Management Consultant (PMC)
-  Construction & Supervision
-  Engineering Support Consultant

Engineering Pvt. Ltd.

➤➤➤ "A STEP TOWARDS TOMORROW"

An ISO 9001 : 2015 Certified & Govt. Approved

Geotechnical Investigation

"You can't build a great structure on a weak foundation"

Key Services:

- Sub-soil Exploration
- SPT, UDS and Rock core Collection
- Laboratory Testing of Soil, Rock & Water
- Chemical Test of Soil, Rock & Water
- Calculation of SBC, NSBC, Settlement etc
- Foundation Recommendations
- Measuring Ground water table
- CBR Test & Soil Stabilization
- Pile Load Test, Pile Capacity, Uplift, Lateral Load
- Plate Load Test
- Earth Resistivity Test (ERT)

Topographical & Detailed Survey

"I am a surveyor because Engineers need Heroes too"

Key Services:

- Area Survey & Layout Survey
- Contour Survey
- Total Station (TS) Survey
- Auto Level Survey
- Drone, DGPS & GPS Survey
- Earthwork Quantity Survey & Calculation
- Canal, Railway, Pipeline, Traffic, Road Survey
- Land & Building Survey
- Bathymetric & Hydrographic Survey
- Mapping & Digitalization

Material Testing & Quality Monitoring

" Material Testing: The Backbone of Safe Construction "

Key Services:

- All type of construction material testing
- Non Destructive Testing (NDT)
- Construction Site Supervision
- Testing of Cement, Aggregate, Brick, Steel etc.
- Concrete Cube, UPV & Rebound Hammer Testing
- Bitumen, Sub-base & Sub grade Testing of Road
- Concrete & Bitumen Core cutting
- Ballast, Paver block, Concrete Block Test
- Concrete, Bitumen & GSB Design Mix.
- Soil, Rock, Water & Chemical Test
- Field Test For Road & Concrete Structure
- Structural Strength Analysis
